From the Top of the Rock Pile

By

Lee Adams — President

STILL HOT—and no relief in sight—therefore no field trips.

The hot issue before the club now is the elections for President, Second Vice President (Programs Chairman) and Secretary. I will be calling for a nomination committee of 1-3 people. The candidates' names are to be submitted to the Membership Committee at our October meeting. The election will be held at the November meeting.

I asked for possible changes to be made to the bylaws of the club. I will ask again during the September meeting. Please submit proposed changes during the September meeting so

the board can go over them before the October meeting. The board will vote and present the final product to the club for a final vote. What I am looking for are changes and clarifications to the officer's duties section of the bylaws.

Joke:

A man was standing, looking at the bathroom mirror. He was not happy with what he saw and said to his wife "I feel horrible; I look old, fat and ugly. I really need you to pay me a compliment." She replied, "your eyesight is near perfect" and the fight started.

See you-all in September

— Lee

Notes From the Editor

Thank you all for your patience. The Rockhounds website has now been moved to a new server and I have just cleaned up the last bit of coding shenanigans to ensure that it remains online and accessible for all to see. You may have noticed that the News & Events page is currently not displaying any content. I am working to correct that, but my time is very limited and I wanted to make sure that the site overall was in good order first.

I hope you all continue to enjoy the website and newsletter!

Fredericksburg Rockhounds Meeting Minutes

— August 5th, 2019 —

Lee Adams opened to 7:00 PM meeting with the Pledge of Allegiance.

Program:

Lynn Post provided an educational program about the history, tools used and various methods of silver smiting. Lynn also showed the step by step process of making a silver and composite turquoise pendant and then donated it for a door prize drawing. Carl Ashline won the pendant.

Thanks to everyone for bringing food!! We always have a great spread.

New Business:

Some Fredericksburg Rockhounds officer's job descriptions are being modified. The changes will be brought up at the September meeting.

Steve Perez fashioned a pendent and gave it to Gail Smith. Steve used Wendell's Silver Trade Mark (similar to a weather vane). The pendant required three pours of epoxy with vacuum. The pendant contained seven pieces of opal (one of Wendell's favorite stones to work). Because the weather vane has four corners, in each corner of the pendant was a separate stone, a green peridot (signify prosperity) opposite red cornelian or ruby (signify passion) amethyst purple (signify royalty) and 5 turquoise stones (Wendell's most favorite stone to work).

Andy and Karen Anderson have coordinated an educational program with the famous "Dinosaur George." Dinosaur George's traveling museum show is being sponsored by the Fredericksburg Rockhounds and will be held December 12th, 13th and 14th

at the Lady Bird Park Pavilion (the same place as our January Gem Show). December 12th is set up, December 13th is for kids only and the 14th is for the general public. The Fredericksburg Rockhounds will have a table to display their dinosaur/fossils and pass out flyers for our Gem Show in January. Dinosaur George will also need some club members to volunteer to be stationed around the room to ensure no one touches or moves the dinosaur bones. Contact Andy or Karen Anderson to volunteer.

Committees:

Membership Committee: Introduced new members Gary and Crystal Jensen and their children Summer and Kallie. The Membership Committee is in need of a volunteer please see Virginia Adian or Brenda Smith.

Hospitality Committee: This position is vacant and in need of a volunteer.

A person filling in for our hospitality committee, announced that our long-time member, Sandra White, had passed away.

Historian:

Sara Verstuyft brings the clubs history book to every meeting; we hope you will stop by and look through it.

Field Trip:

Sam Rodgers said it is currently too hot to have field trips. He also advised the Eagle Pass diggings have ground down to nothing until next year. Patti Felts announced the Apache Creek New Mexico rock hunt will be held the week end before Labor Day—Contact her for information. Patti said the camp ground fee is \$28.00.

Miscellaneous:

Wendell Smith’s rocks and rock equipment are at Lee Adams for sale.

The Fredericksburg Rockhounds offer discount lessons in wire wrapping and cutting/polishing rocks. If you would like to take lessons talk to Virginia Adian for wire wrapping or Lee Adams for lessons in cutting/polishing. If you are interested in teaching lessons let the club president know.

Fredericksburg Rockhounds now have a Facebook page. Our editor is Sue Burkhart. She asked that we all find the **Facebook Page** and “**LIKE**” in and “**SHARE**” it with your friends.

September's Birthstone & Flowers

The September birthstone is the **sapphire**; the flowers are the **aster** and the **morning glory**.

Sapphire

Aster

Morning glory

Sapphires are a form of corundum and generally come in many shades of blue that run the gamut from light to dark.

Sapphire was once believed to ward off evil and protect against poison.

Asters bloom in the late summer and early autumn and need little care to flourish. They are symbolic of powerful love.

A symbol of affection, morning glories live up to their name: they open their blooms in the early part of their day and then close them later in the afternoon.
