PREZ SAYS

JUNE 2022

It looks like picnic time is here again. Last year we had our first in person gathering in over a year, and it was well attended. This year we are coming together after having a year of rebuilding our club I hope we have a good turnout as well. Be sure to bring rocks and a good side dish. Steve is bringing the meat. Bring your own drinks!

I still have 2 T-Shirts to be picked up. If you placed an order come see me and I will have them. I will be putting a list together for a second order, I'll need about 12 to 15 shirts to get the price under \$20. I hope to see you there.

- Frank Rowell

Cancelled - Field trip to the Big Springs Ranch for Children near Leakey on Memorial Day. The host had a medical issue and, unfortunately the field trip is cancelled. If you need more information call 325.248.1067

JUNE PROGRAM

HELLO, ROCKHOUNDS

There will not be a meeting in June. Instead we will have our picnic at the Lady Bird Johnson Park in Fredericksburg. And we start gathering before 6:00 p.m., at which time we begin eating delicious BBQ provided by the club.

At the May meeting, members signed up to bring either salads, veggies, casseroles or desserts. If you were not at the meeting, please bring a dish to share.

Ice will be provided, but you should bring your own soda of your choice.

It should be a fun event, and a rock sale as well.

Hope to see you there,

— Karen Anderson

June Birthstone & Flowers

The June birthstone is the **pearl**; the flowers are the **rose** and the **honeysuckle**.

Pearl

Rose

Honeysuckle

Pearls can be found in a variety of soft hues and palettes. They are formed inside of an oyster's shell, usually via a grain of sand that enters the shell. The clam cannot eject this irritant and so it encases it in a hard substance that eventually forms the pearl.

Both of June's flowers are tied strongly with love.

Roses of different colors have multiple meanings. For instance, white roses can stand for innocence or purity. Red roses are synonymous with love. Conversely, yellow roses mean a loss of love.

The number of roses also have meaning. A bouquet is given for gratitude; a single rose amplifies the meaning behind the color.

Honeysuckle is a strong symbol for the bonds of everlasting love.
