PREZ SAYS

AUGUST 2022

August is here already. It feels like it started more than a month ago. I'm not enjoying the 105° Temperatures. Lets hope for cooler weather in September. At this months meeting I will be looking for a few more people to help with the gem show planning. Your help is needed! We are also looking for anyone willing to put their name in for Vice President or Treasurer. Elections will be at the November meeting. The constitution lays out how this is done. Here is the part having to do with the election.

ARTICLE V - NOMINATION AND ELECTION OF OFFICERS

SECTION 1. A Nominating Committee shall be organized at the regular September meeting. It shall consist of one member appointed by the Executive Council and two members elected by the membership-at-large. The committee shall elect its own Chairperson. This committee will submit a slate of candidates at the November meeting: nominations may also be made from the floor at that time, providing the nominees are willing to accept nomination. New officers will be elected at the November meeting. They will be installed at the December meeting and will assume their duties on January 1.

I hope to see a few hands raised at the meeting. Until then stay cool and don't go out in the heat. See you at the meeting.

- Frank Rowell

August Birthstone & Flowers

The August birthstone is the peridot; the flowers are the gladiolus and the poppy.

Peridot

Gladiolus

Poppy

The peridot is a symbol of strength. It is light green in color and as such is sometimes called the evening emerald. It can be found in the volcanic lava of Hawaii as well as in meteorites.

The largest peridot found to date weighs in at 319 carats and is on display in the Smithsonian Institution in Washington, DC.

The gladiolus, also known as the sword lily, stands for remembrance and calm.

Poppies come in different colors and have various meanings. Red poppies are for pleasure; white for consolation; and yellow for wishes of wealth and success.

FREDERICKSBURG ROCKHOUNDS MEETING MINUTES

July 4, 2022

Frank Rowell called the meeting to order at 7 p.m. and promptly told a joke. There were no visitors or new members to announce.

Karen Anderson announced that snafus with the previously announced petrified program meant that we would be having a video on the amethyst pockets in the Ellis Mine in South Carolina. We watched as two men pulled out some amazing specimens using only their fingers and a screwdriver. The purple color of the amethyst was very deep. The son of the mine owner said that many years ago, George Washington Carver of Tuskegee Institute was the first person to identify the amethyst on his father's property. After the video a member asked if all amethysts lose their color in sunlight. The answer was "Yes."

Frank announced that it was too hot for field trips. He told us about heavy iron mining equipment being exhibited at the rail yard in Llano. It was used in the late 1800's for gold mining – the reason the reason for the railroad being brought to Llano.

An announcement was made the Austin Gem and Mineral Club will have an auction on Saturday, August 12.

The venue opens at 9 a.m. with the auction starting at 1 p.m. at the club's headquarters.

He asked for volunteers to help with preparing for the show in these three areas: overseeing sign-up sheets for volunteers, organizing and overseeing the silent auction, and looking for free event listings online and in print. A committee was formed for the events listing task.
