PREZ SAYS

DECEMBER 2022

I'm hoping this cold spell doesn't continue through Christmas. It is too early for this kind of weather, We haven't even finished with Thanksgiving. We will be starting the meeting this month an hour early, plan to eat at 6:pm. Please bring food items about 5:30 so they can be put out on the counter. After the eating is through you will be needed to help pick up the hall. We do need everyone's help. I'm looking forward to a great evening.

I will have signup sheets for our gem show and rack cards available. Please sign in with your choice of hours to work at the show. We do need your help. There are still a few showcases available to display you're favorite rocks or craft. Virginia has the list of cases available. There is also outdoor space available. I will also have our new rack cards to hand out, I got a thousand cards for a little over 1cent each. Please take some and put them out at hotels, motels, visitor centers, etc. They will fit in a standard brochure rack. Anyone with a little time can also look on the internet for event calendars and submit information to be added to the listings. Thank you for putting in the effort to help with the show. See you at the meeting.

Fredericksburg Rockhounds

A non-profit organization for the study and
enjoyment of gems, minerals and fossils.

The Fredericksburg Rockhounds has its origin
as the Llano Uplift Rock Club. In 1968 a
decision was made to move the club to
Fredericksburg. Several members formed the
Highland Lakes Gem & Mineral Society in
Marble Falls. (no longer active). The club was
reorganized on July 15th 1968 as the
Fredericksburg Rockhounds with 65 members.
The club constitution was adopted by the Exec-
utive Council on October 22nd 1968, and by the
general membership on March 3rd 1969. At
first the club met and held their Gem & Mineral
Show at the American Legion Hall, however
the large crowds severely strained the facility.
The gem show was moved to the pavilion at
Lady Bird Municipal Park in the mid 1970s.
Several club members were asked to submit
recommendations for the design of the facility.
Popular features of the show include vendors,
demonstrations and exhibits put on by club
members. The club now meets at the Golden
Hub Senior Center. There has been an almost
complete turnover of the membership since the
founding in 1968. Members now hail from a
much wider area and their interests are often
quite different. However one thing has not
changed, members enjoy each others company,
and talk about rocks and interesting programs
They also love to eat.

Come join the fun at our meetings.

We are affiliated with the American Federation
of Mineral Societies (AFMS) and the South
Central Federation of Mineral Societies
(SCFMS)

We hold our meetings at 7:00pm on the first
Monday of the month at the Golden Hub Senior
Center, 1009 N. Lincoln, Fredericksburg Texas
(except in June, when we have our annual
picnic).

DECEMBER PROGRAM

HELLO,
ROCKHOUNDS

Happy Holidays everyone,

As most of you know, there won't be a program in December!! Instead, we will have our annual Christmas party on December 5th.

The party begins at 6:00 pm (instead of the usual 7:00 pm time) but it is advised you get there around 5:30 pm to set up your food so we can gather around the bar sampling the yummy goodies all of us will be bringing to eat!!!

It should be a fun evening, and I am getting excited already!!!

So, till then, you better be good cause Santa is watching and making his list and you don't want any coal in your stocking!!!!!!

Hoping you will be able to join us,

Karen Anderson

P.S. If you are bringing an old family recipe, please bring copies of the recipe for those who would like to add it to their recipe book!

Happy Birthday!

December Birthstone & Flower

The December birthstone is the **turquoise**; the flowers are the **Narcissus** and **Holly**.

Turquoise

Narcissus

Holly

Turquoise is found most often in very dry areas where volcanic activity has occurred. Unlike many other gems, turquoise is opaque rather than translucent. Its blue-green color can vary from sky blue or greenish blue to pale green or greenish gray. Bluer stones are considered more valuable and contain more copper.

The holly symbolizes your wish for domestic happiness. Although some animals and birds enjoy holly berries, they are semi-toxic to humans.

The narcissus conveys that you want your beloved to stay just the way they are. While there are many types of narcissus, the paperwhite is the winter-growing variety and the birth flower for December.
