PREZ SAYS

OCTOBER 2023

I'm hoping we have seen the last of the 100 degree weather. Going to Lee's was a lot more comfortable than it would have been last month. If you didn't get down there, Lee said he would bring a few buckets to the meeting. Getting back to the meeting, we need to select a few nominee's for Secretary and 2nd Vice President (programs), Brenda and Karen will be there to help you get settled in to the positions. If you feel that you would like to put your name in, there will be an opportunity to make nomination from the floor. For the gem show please bring anything you have for the silent auction. Raffle prizes can be brought in with a description and value. I hope to see a big crowd at the meeting. See you there.

OCTOBER PROGRAM

HELLO, ROCKHOUNDS

Once again, Sara Verstuyft will present the October program about dinosaurs.

She is so knowledgeable about this subject and loves to talk about them. If she could find a time machine, I'm sure this would be the first place she would choose to visit. Look out behind you for that T-Rex, Sara!!!!!!

Dinosaur George has brought his dinosaur exhibit to the Golden Hub for programs in the past and he has brought his large Traveling Museum to the Pavillon in Lady Bird Johnson Park for school kids and the general public to enjoy for donations only.

The exhibit filled the Pavillon with specimens from the beginning of time through the dinosaurs and ending with the saber-tooth tiger, the cave bear, which when standing on his legs could touch the ceiling of the Golden Hub, and the largest prehistoric crocodile, Sarcosuchus, which grew to 40 ft long and would have been as long as a city bus!!!!!! Definitely watch your back, Sara!!!!

Sara also helped Dinosaur George set up his Traveling Museum. He would tell her to find a certain dinosaur skull and she'd happily find it and help set it up and also help him pack up when the show ended. George was definitely impressed with her knowledge.

So, her program will be amazing, and I know you won't want to miss it.

Hope to see you there!!

- Karen Anderson

P.S. If you are interested in taking over for me, November will be my last month!!!

It has definitely been fun, and I have really enjoyed finding programs for you. Please consider this opportunity!!

October Birthstone & Flowers

The October birthstone is the **opal**; the flowers are the **marigold** and the **cosmos**.

Opal

Marigold

Cosmos

The word opal is rooted in both Latin (opalus — "precious jewel") and Greek (opallios — "to see a change in color"). The term opallios is an apt description as opals tend to reflect a vast array of colors depending on the source of light.

Marigolds are symbols of contentment and warmth. They can grow anywhere from six inches in height to over five feet depending on the variety.

Cosmos, the other October flower, stands for order, peace, and serenity. They are annuals that are a good choice for your garden if you want to attract birds, bees, and butterflies.

Happy Birthday!

- Robert Thompson — October 2
- Robert Mitchell — October 6
- Mack Brice — October 8
- Jeff Smith — October 11
- Glenn Thompson — October 16
- Greg Zimmerman — October 24

FREDERICKSBURG ROCKHOUNDS MEETING MINUTES

September 4, 2023

Frank Rowell called the meeting to order at 7:00 pm.

Karen Anderson presented the video "A Grueling Hike Into A Remote Ghost Town in California." We got close-up and long-range views of this dangerous, narrow trail located in Beveridge, Inyo County, California. Loose rocks and steep inclines challenged the hiker. The remoteness of the trail emphasized the importance of being prepared with sufficient water and first aid supplies.

MEETING MINUTES

September 4, 2023

Rusty mining equipment and rock cabins built by previous miners and hikers provided points of interest and shelter for hikers. A museum housing things used by the miners was featured toward the end of the video.

Jackie Chude gave the Treasurer's report.

Lee Adams reported that Virginia Laporte, a woman who attended our show year after year, had willed all her rocks to the Fredericksburg Rockhounds. Lee and some other members responded and hauled the extremely large collection to Lee's place in Bandera. (Included were some 1600 pounds of mostly petrified wood, including some 50-pound pieces.) After some discussion, September 17 was set as a day for members to go to Lee's place to buy pieces that interest them.

Sue Burkhart, Steve Perez, and Ed Gage volunteered to be on the nominating committee to replace officers whose terms expire at the end of the year – President, Second Vice President (Programs), and Secretary positions.

Rack cards for the show were available for members to take and distribute. Joe Edstrom will oversee the silent auction again this year. He asked members to bring donations for the silent auction and donations for the raffle.
