PREZ SAYS

NOVEMBER 2023

Happy Fall I'm enjoying the cooler weather. Let's have a field trip on Sunday November 12th. Let's pick a place to go at this month's meeting. Be thinking of where you would like to go. If we get some rain in the next couple of weeks the rock hunting should be good.

It's also time to vote for new officers this month. Joe, Ed and Greg are the current nominees up for election. We will have a call for any other nominees from the floor. The vote will be a show of hands for or against. The newly elected officers will start their term at the January meeting. The December meeting is a Christmas party, so there is no business meeting, just visiting and eating. See you at the meeting.

- Frank Rowell

NOVEMBER PROGRAM

HELLO, ROCKHOUNDS

As I announced at October's meeting, I will be presenting my last program to you in November 2023. I have been bringing programs to you for 6 years and 4 months taking over the last 4 months of 2021 for Joe De Hoyos when he resigned due to health issues.

I can remember Brenda Smith and Judy Adams calling me in late 2013 to ask if I would consider accepting the position of 2nd Vice President, which, along with this position, meant I would also have to find programs to bring to the club. Reluctantly, I accepted. Thanks Brenda and Judy for giving me this opportunity to serve the club. I had so much fun and enjoyed finding programs, which I hope that you all enjoyed.

In November we will be selecting a new 2nd Vice President and program presenter. I hope the new person will have as much fun as I have had. I will be happy to help this person as much as I can.

And, now for my final program. November, I will be ending my term with my "Swan Song"!! Like the commercial, "What's in your wallet?", my program will be "What's in your collection?" Please bring whatever you collect and tell us what it is. It can be rocks and minerals, but it doesn't have to be. It can be anything. Dolls, coins, woodworking items, favorite tools, etc.

****Also, please bring a towel or something to protect the tablecloths that are on the tables as they could tear easily.

We will have a blast seeing what you collect!!!!
So please join us for a really fun night!!!
Hope to see you there and Happy Trails!!!!

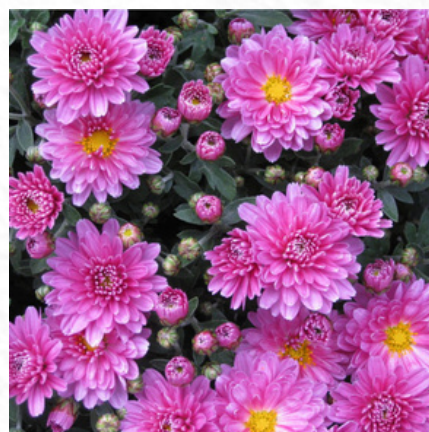

- Karen Anderson

November Birthstone & Flowers

The November birthstone is the topaz; the flower is the chrysanthemum.

Topaz

Chrysanthemum

Topaz is the mineral fluoro-hydroxy silicate and is the hardest of all known silicate minerals. Topaz itself is colorless but impurities within can turn it into almost any color. Yellow or amber is most often associated with topaz. Interestingly, even though blue topaz is rare to find naturally (most for sale have been treated to get the color) it is Imperial topaz (reddish orange with pink undertones) that is the most valuable.

The lone flower for the month of November is the chrysanthemum. It is a perennial and comes in a variety of colors. After they finish blooming in autumn, they can be mulched with straw to protect them from inclement weather.

FREDERICKSBURG ROCKHOUNDS MEETING MINUTES

October 2, 2023

Frank Rowell called the meeting to order at 7:00 pm. New members Summer and Ryan Holladay and children Alexa, Seth, and Donnavin Yarbrough were welcomed.

Sara Verstuyft, the Fredericksburg Rockhounds' dinosaur expert, presented a program that gave an explanation of the different types of fossils and how they were formed. She showed fascinating pictures of fossils from all over the world. Other pictures showed what the experts thought the living creatures actually looked like.

MEETING MINUTES

October 2, 2023

She explained how those experts came to their conclusions. Sara also brought fossils from her own collection for us to see.

Lee Adams brought rocks from the collection willed by Virginia Laporte to the Fredericksburg Rockhounds for members to inspect and buy if they wished. He said there is a lot of petrified wood at his house from that collection if members are interested.

Greg Zimmerman announced that he was leading a field trip to the 06 Ranch in Alpine and to the Larremore Ranch on October 22 and 23.

Nominees for the election of officers in November were announced: Joe Edstrom for President, Greg Zimmerman for Second Vice President (programs), and Ed Gage for Secretary. The Membership Committee needs a chairperson.

Karen Anderson announced that the program for November was for everyone to bring their favorite rock or other item and tell the rest of us about it.

Jackie Chude gave the Treasurer's report.

Steve Perez brought flyers featuring the January show. Rack cards were also available. Frank announced that outdoor spaces and a few spots on the stage were still available.
