DECEMBER PROGRAM

HELLO,
ROCKHOUNDS

Dear Rockhounds,

As most of you know, there will not be a program in December.

It's party time!!!!

This is the month that we have a Christmas party with lots of tasty foods to help us celebrate the !!!!

So, remember to please bring your favorite food item to share with the club. It can be sandwiches, dips and chips, veggies, casseroles, salads, and of course desserts!!!

It should be a fun night, as it always has been, and should be a night full of good cheer and full bellies!!!!

This will be my last write-up for the newsletter as we have a new program chairperson, Greg Zimmerman, who will begin his duties of sending the program information to the newsletter and presenting programs beginning in February 2024. I know he will have exciting programs for us and I can't wait.

Again, thank you for giving me the chance to serve the club with all the programs I have brought you. It has been really fun, and I have thoroughly enjoyed it.

Merry Christmas and Happy Trails,

- Karen Anderson

December Birthstone & Flowers

The December birthstone is the turquoise; the flowers are the Narcissus and Holly.

Turquoise

Narcissus

Holly

Turquoise is found most often in very dry areas where volcanic activity has occurred. Unlike many other gems, turquoise is opaque rather than translucent. Its blue-green color can vary from sky blue or greenish blue to pale green or greenish gray. Bluer stones are considered more valuable and contain more copper.

The holly symbolizes your wish for domestic happiness. Although some animals and birds enjoy holly berries, they are semi-toxic to humans.

The narcissus conveys that you want your beloved to stay just the way they are. While there are many types of narcissus, the paperwhite is the winter-growing variety and the birth flower for December.
