PREZ SAYS

FEBRAURY 2024

I'd like to thank everyone from the club that came out and helped make our 55th annual gem and mineral show such a success! It felt like things went fairly smoothly and even the tear down time seemed to be reduced from previous shows. Gratitude to those that created some really wonderful display cases. Even with the cold front that moved in just for the weekend, I believe we put on another exceptional show. I would love to hear any feedback y'all might have during our February meeting. We will also discuss how much the club made via the silent auction, raffle prizes, and our new club t-shirt.

FEBRAURY 2024

Greg Zimmerman is working hard to create a solid list of programs for the coming year. I will also work with Greg, Patti, and Steve to come up with several rockhounding digs both near and far. The first event will be in mid to late March (dates tbd) out in Alpine. We will go on a guided dig with Aaron Thomas for some gorgeous west Texas agates! Steve and I will arrange for a van rental to take any club members wishing to attend that need transportation. We will discuss further details during our February meeting regarding digging fees, location, and accommodations in the Alpine area.

As a final note, please pray for or send your positive energy to Michael and Dawn Egger. Michael suffered a heart attack at the end of January and had open heart surgery. He's feeling better, but we'll need ensure not to stress him out with any talk of silent auction stuff. Get well amigo!

February Birthstone & Flowers

The February birthstone is the **amethyst**; the flowers are the **violet** and the **primrose**.

Amethyst

Violet

Primrose

The February birthstone, the amethyst, is said to strengthen relationships and give its wearer courage. Amethysts are a type of quartz often found in geodes amidst cooled lava. Their purple coloring runs the gamut from reddish purple to a bluish lilac. The finest quality is a strongly saturated reddish purple to dark purple as long as the stone does not become too dark to see its brightness.

The February birth month flowers are the violet and the primrose.

Violets signify watchfulness, loyalty, and faithfulness.

The other February birth flower is the primrose, which lets someone know you can't live without them.
