PREZ SAYS

APRIL 2024

Spring has sprung my fellow rockhounds!

Hopefully you've found the time to get out and find some new treasures for your collection. If you haven't, then I encourage you to join us on our west Texas agate adventure 6-7 April in Alpine! The entire weekend is dedicated to our club and I'm positive we'll create memories to last a lifetime. Don't forget that we'll have a group vehicle (either passenger van or large SUV) to take you if you're interested. We WILL be back in Fredericksburg by early evening on Sunday the 7th so you don't need to worry about missing the eclipse on Monday afternoon.

PREZ SAYS CONT.

APRIL 2024

Speaking of hunting spectacular west Texas agates... Greg Zimmerman and I will be presenting some of our amazing finds from various trips out there during our club meeting on April 1st. We hope to see you there! No really... we'll be there and we want to see you there too. No April fools. Seriously. Be there.

- Joe Edstrom

Happy Birthday!

- Jose Uribe — April 5
- Forrest Nikorak — April 8

Please note: If we missed your birthday or have listed it incorrectly, please let us know so we can correct it!

April Birthstone & Flower

The April birthstone is the **diamond**; the flowers are the **daisy** and the **sweet pea**.

Diamond

Daisy

Sweet Pea

Although once thought to bring courage, the diamonds are now viewed as a symbols of love. They are the center piece of many jewelry sets, most notably engagement rings. It is the hardest mineral on the planet and because of this has many industrial uses.

Generally, diamonds are colorless with a high sparkle, but they can be found in varying tints and hues. Perhaps the most famous diamond of all, the blue Hope Diamond, is one such example.

Daisies connote innocence and purity while paradoxically “holding secrets” among friends.

Sweet peas signify blissful pleasure though they can also be used to bid farewell.

Meeting Minutes

March 4, 2024

The meeting was called to order at 7:00 P.M. by President Joe Edstrom. There were no new members or guests present.

Joe opened the meeting with a joke.

The program was a video of a tour of Texas and where to find various fossils. Some highlights of the program were a tour of the Lake Waco area and where to find pyritized fossils in the Del Rio clay formation. The next visit was to the Austin chalk gravel bars in search of Exogyra fossils. Then we moved on to the Carrizo sandstones looking for agates.

A visit to Leander creek where dinosaur tracks can be found in the stream bed was the next stop. The Duck Creek area near Lake Texoma was the next stop for cretaceous fossils and was the last stop of the tour.

The meeting had a break for refreshments while door prize winners were drawn.

Door prize winners:

- Tom Mitchell was won by Kenneth Verstuyft (leaverite) and Renee Luna (geode).

New Business:

A vote was held to nominate Patti and Frank Rowell as lifetime members of the Fredericksburg Rockhounds. The vote was unanimous in support of the nomination.

Field Trips:

Joe led a discussion on the upcoming field trip to Alpine TX on the Kokernott 06 ranch. The Fredericksburg rockhounds have an exclusive reservation for the weekend of April 6-7, 2024. The ranch is located about 10 miles North of Alpine Texas. There are still rooms available in Alpine and RV spots can be found in the area. The club is renting a van for transportation to the field trip from Fredericksburg leaving on Friday and returning on Sunday. Approximately 9 people indicated they were planning to go on the field trip.

Meeting Minutes

March 4, 2024

Steve Perez will be driving the van. Information from Steve about the details for the van are as follows:

There will be 2 pickup points.

1. Fredericksburg Walmart from 11:30 am-12:00.
2. Kerrville Walmart from 12:30 pm- 1:00

Steve's phone number is (817) 404-9789 in case one is late to the pickup locations. I recommend people to be dropped off and picked up. Location in the lots will be the farthest area from the main building.

Steve suggests it's better for members to be waiting for the van rather than the van waiting for members to keep on schedule, and please do your planning days before. Also, if the interested rockhound hasn't booked a room yet, look up the location of the ranch and make your choices from the center of town toward the direction of the ranch. That way I don't have to go all over the city to pick up rockhounds for the hunt. I will plan accordingly but any help will be appreciated. Thanks, and if you have any questions or need information, please TEXT me.

Treasures report:

Jackie Chute gave an update on the treasures report.

Jackie requested that dues be paid for the coming year, or those members will be dropped from the club membership. There are still t-shirts available for those who wish to buy them.
