## PREZ SAYS

---

### MAY 2024

I hope y'all are doing well and enjoying the lovely spring temperatures. The six of us that went to Alpine sure did because although it was windy, it only got up to the low 70's. It was darn near perfect digging weather.

I want to thank club members Matt, his son Gus, Shari, Cathy, and her grandson Julius for coming and making it a phenomenal rockhounding adventure! It warmed my heart to see the two boys out there enjoying themselves. Those memories will last a long time indeed.

We all found some gorgeous agate and quartz specimens. I'm sure we'll bring in our favorites to show y'all in the next few meetings.

# May Birthstone & Flower

The May birthstone is the **emerald**; the flowers are the **lily of the valley** and the **hawthorn plant**.

*Emerald*

*Lily of the Valley*

*Hawthorn Plant*

Today, the emerald is associated with wisdom, patience, and growth though traditionally it signified love, fertility, and rebirth.

Emeralds are deep, rich green and many people associate the color with the vibrant technicolor of The Emerald City in the 1939 classic The Wizard of Oz.

Lilies of the Valley stand for humility, sweetness, and a return to happiness.

Hawthorn Plants are all about supreme happiness and hope.
