MARCH 2025

The Fredericksburg Rockhounds Club Mascot

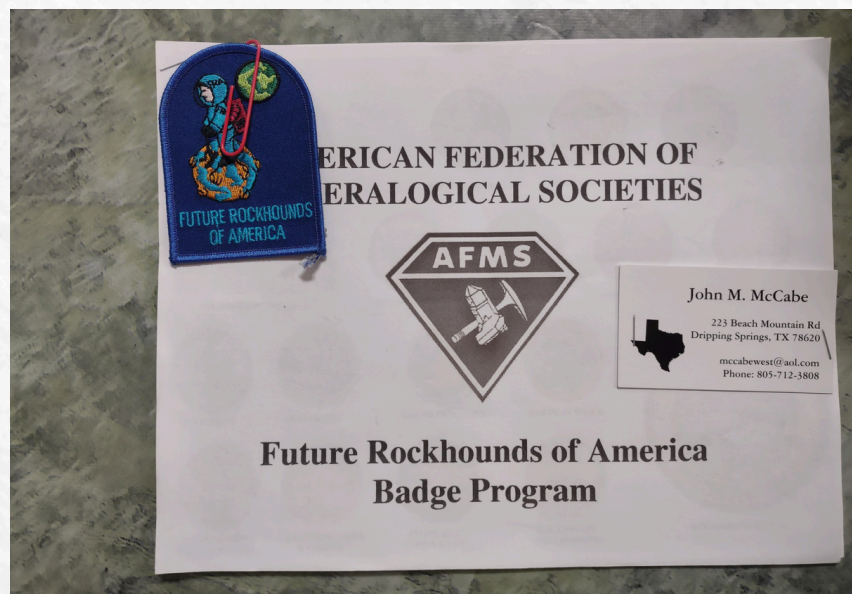

This 7lb Boulder Opal was presented to the Fredericksburg Rockhounds Club by Jerry Fay of Walkabout Opals LJD. of New South Wales, Australia.

Boulder Opal consists of rounded boulders of brown ironstone with cracks and crevices filled with silicified (firey) opal.

AFMS Badge Program

At the February meeting, a badge program was outlined for youth in the form of a packet of literature from the American Federation of Mineralogical Societies

- Ed Gage, Secretary

March Birthstone & Flower

The March birthstone is the **aquamarine**; the flower is the **daffodil**, also known as the jonquil.

Aquamarine

Daffodil

The March birthstone, aquamarine, was thought to cure heart, liver, and stomach diseases—all one had to do was drink the water in which the gem had been soaking. Early sailors believed that aquamarine talismans, etched with the likeness of the sea god Neptune, protected them against ocean dangers.

The March birth month flower is the daffodil, one of the first flowers of spring brings us new beginnings and, as the poet Keats said, daffodils bring “joy for ever”. With their bright yellow petals, daffodils seem the perfect way to say that the sun is always shining whenever your loved one is around.

FREDERICKSBURG ROCKHOUNDS MEETING MINUTES

February 3, 2025

The meeting was called to order at 7:05 P.M. by Vice President Blane Neffendorf in the absence of President Joe Edstrom. The new members present were Preston Schmidt, Emery Schmidt and Chasity Price, all from Fredericksburg, Texas.

Minutes of the last meeting were approved.

Field trip chairman was not present so in lieu of a formal program, Steve Perez suggested we call for members to report on their favorite events of the past that were noteworthy for them as a Rockhound.

The reports from members were as follows:

Jim Chute on the million-dollar highway in Colorado. In the 1960's a motorist was driving on the highway and had a flat tire. The driver found a nearby rock to block a tire while he changed the flat tire. After finishing he noticed the rock looked interesting so he put it in the car. A few months later he wondered what the interesting rock was, so he took it to someone to look at it probably at a university. It turned out to be the largest gold nugget ever found in Colorado (about 40 lbs.). He went back to look for others but had forgotten where he was when he had the flat tire.

John Crone being new to Texas at the time saw a sign for Rock Shop while driving into Fredericksburg and stopped to check it out. Here he met Jim Chute who owned the Rock Shop.

MEETING MINUTES

February 3, 2025

Jim had been searching for specimens in the Terlingua area and discovered a new mineral at the Little 38 mine. It was later named Comancheite. Jim donated samples of the new mineral to various museums around the country.

Bruce Watts was driving in the Colorado area west of Colorado Springs and noticed a vein of color in a road cut. He noted it would be a chance to look for interesting rocks.

The members were invited to get refreshments while door prizes were drawn.

OLD BUSINESS:

Sherri reported she had found the club mascot and had it for viewing at the meeting. It's a piece of "Boulder Opal" from Australia.

Field Trips:

In Mid-March. We hope to look for rocks on a ranch where we were going to go but the trip was cancelled due to hunting season.

January show:

Business was good despite the cold weather. Nine new members signed up at the show.

TREASURE REPORT: Jackie reported the income from the show in January was good. The preliminary report was given pending final numbers.

NEW BUSINESS

A badge program was outlined for youth in the form of a packet of literature from AFMS.

The next show in the area is March 1-2 in Robstown, Texas.

The SW Gem and Mineral will be April 5-6 in San Antonio, Texas.

In May there is a Masters Jewelry show held at the YO Hilton in Kerrville, Texas.

Treasure Jackie called for the dues to be paid if you have not yet paid. One third of the dues go to the American Federation who pays for insurance for all members who participate in field trips sponsored by the club. There was interest in members who are current with dues to have a membership card they can carry with them.

Shirts are still available in all sizes for \$20.00 each.

Motion to adjourn by Lee Adams.
