PREZ SAYS

MAY 2025

Greetings and salutations fellow Rockhounds! I hope your April was amazing and full of adventure. Mine certainly was both good and not so good. I'll explain more at the meeting on the 5th. Needless to say, I'm grateful to the Lord for my health and for watching out for me.

Thanks again to Greg Zimmerman for setting up the dig back in March. Special thanks to Blane for giving us an awesome presentation highlighting all the finds. Congratulations to one of our youngest members, Gus, for his stunning azurite specimen! It's such a blessing to see so many young rockhounds coming to our digs and monthly meetings. If you haven't been to either in a while then I hope to see you soon!

God bless,
- Joe Edstrom, President

May Birthstone & Flower

The May birthstone is the **emerald**; the flowers are the **lily of the valley** and the **hawthorn plant**.

Emerald

Lily of the Valley

Hawthorn Plant

Today, the emerald is associated with wisdom, patience, and growth though traditionally it signified love, fertility, and rebirth.

Emeralds are deep, rich green and many people associate the color with the vibrant technicolor of The Emerald City in the 1939 classic The Wizard of Oz.

Lilies of the Valley stand for humility, sweetness, and a return to happiness.

Hawthorn Plants are all about supreme happiness and hope.

Fredericksburg Rockhounds Meeting Minutes - April 7, 2025

The meeting was called to order at 7:05 P.M. by President Joe Edstrom. The new members present were Zeke Wunerlick from Fredericksburg.

There were no changes to the minutes of the last meeting and approved as written.

Fredericksburg Rockhounds

Meeting Minutes - April 7, 2025

The program was a report from Blane on hunting for Kentucky agates.

The members were invited to get refreshments while door prizes were being drawn.

OLD BUSINESS:

Field Trips:

There were 2 field trips this month.

A trip to the Houston ranch was well attended despite the cold and windy weather. The best feature on the field trip was finding some copper minerals. Several members found small specimens of malachite and azurite. A few small specimens of rhodochrosite were also found. Llanite was also available at the site.

We were invited to attend a field trip guided by Frank Roberts on April 13 to search for fluorite and strawberry quartz at Emerald Ridge.

This trip was well attended and most everyone found some Texas fluorite. See the picture of Texas Fluorite.

Second weekend in May: House Ranch south of San Antonio. Contact Larry Tillick with the GEOLOGICAL SOCIETY OF SAN ANTONIO for details.

Toward the end of May-June 1 we are invited to attend a field trip by Ron Carmon from the Austin club (AGMS) to Oklahoma to dig hourglass Gypsum crystals. More information to come later.

The AGMS is also planning a trip to Arkansas to dig Quartz about mid-September. Members are invited to attend this several day field trip.

DUES: DUES are due if you haven't renewed for this year. See Carole Gage to make sure your up to date and we have your contact information, Phone number and email address is needed so you can be contacted in the event of a last-minute event or field trip announcement.

NEW BUSINESS

Jim Knopoka (Fredericksburg) broke a leg and would welcome your thoughts and prayers for quick recovery.

SHOWS:

Lee Adams reported on the SW Gem and Mineral on April 5-6 AT&T Center in Sam Antonio, Texas. It was well attended with about 40 venders and lots of great items to choose from.

Alpine: Easter weekend

Waco: First weekend in May

San Antonio: Second weekend in May

SCFMS show will be in October in conjunction with the Austin show (AGMS).

In May there is a Masters Jewelry show held at the YO Hilton in Kerrville, Texas.

Shirts are still available in all sizes for \$20.00 each. Available at the monthly meeting.

We are asking for feedback from the membership on what you would like to see the club focus on. Any ideas are welcome so bring them to the meeting where the membership can discuss them.

Motion to adjourn and

Seconded

The meeting was adjourned at 8:13 PM
